

National Conference

On

**Environment Protection and Sustainable
Development**

On

28th March, 2020

Organised by

**Himachal Pradesh University Institute of
Legal Studies
Himachal Pradesh University
Shimla, H.P.**

About the Conference:

Damage to the environment is one of the crucial and complicated problem that humankind is facing today. Human being endeavours to improve his quality of life, which can be possible only if Environment and development go side by side. Environment Protection and development are two such facets of Environmental Jurisprudence that needs to be critically analysed in present times. The one- day national conference is an occasion to deliberate upon some important issues, Laws and to foster an environment conducive to exchanging ideas , information by bringing together Academicians, Researchers and Experts to share their experiences and research results about all aspects of Environment Protection and Sustainable development.

Conference Overview:

The conference will be organised at Committee Room, Office of Vice Chancellor. The conference will have a rich mix of one Plenary Session, two parallel technical sessions. It is intended to be a high-level conference, including the legal luminaries, academicians, practitioners and experts from across the country resulting in a focussed discussion on all aspects of environment and its sustainability.

Objectives of Conference:

The main objective of the conference is to address new and emerging challenges regarding the identified thrust areas of Environment Protection and Sustainable development, Assessing the progress and implementation gaps in meeting legal provisions. It will also provide platform to academicians, practitioners and experts and researchers to present and discuss the most recent innovations, trends, concerns, practical challenges encountered and solutions adopted in the field of Environment Science and development.

Topics:

The conference is aimed to provoke discussion and debate about a range of topics including Right to live in clean environment vis-a-vis Right to health

under constitution of India, Judicial Activism and Environmental Jurisprudence in India, National Strategy on Environmental Education and Awareness, Issues and Challenges before the Environmental Justice, Environment Impact Assessment: Purpose, Implications and Reality, Combating Air Pollution and Laws in India, Sustainable Environmental practices and Menace of Environmental Deteriorations, Water Pollution: Problems, Prospects, Policies, Consumer Perspective and Role of Indian Judiciary, Measures to Strengthen the wildlife Protection, Legislative measures for biodiversity Conservation and Role of National Green Tribunal(NGT) in the prevention and Protection of Environment.

Conference Proceedings:
