ABOUT THE INSTITUTE

“Symbiosis” means the interaction between two different organisms living in a close physical association. The idea of “Symbiosis” is nurtured on the Vedic principles of “Vasudhaiva Kutumbakam” which means the 'World is One Family'. The institute has always believed in nurturing the young minds to make them ready for a better tomorrow. Reliance has been placed on a student-centric philosophy which leads to innovation in teaching and learning, student affairs, academic programs, and health care.

Symbiosis Law School, Hyderabad (SLS-H) was established in the year 2014 and has now successfully blossomed into one of the premier law schools. It has been catering to the higher education of diverse group of students inheriting splendid novelty, dynamism, and excellence. Symbiosis Law School, Hyderabad is founded on pillars of expertise, justice, and service and is committed to impart quality legal education conforming to acclaimed International Standards.

ABOUT THE CENTRE

An indispensable constituent of Symbiosis Law School, Hyderabad, Centre for Real Estate and Taxation Laws is a team of determined students passionate towards the advancement in legal aspect of the real estate sector and taxation laws.

CRAT is a forum for research and advocacy on Real Estate and Taxation laws to increase awareness among people about the updated regulations of Real Estate and Taxation.

The centre and its members aim to provide a platform to the budding leaders to sharpen their skills in this field and get a clearer picture of the options available in the real estate and taxation sector

ABOUT THE SUMMIT

The Indian economy is drastically growing at an unprecedented rate, making the levy of taxes and the pertinent laws increasingly important. The realm of taxation is riddled with contemporary issues and paradigm changes, making it even more important to address this concern from a legal standpoint than an administrative one. To contribute to the jurisprudence of taxation, Symbiosis Law School Hyderabad proudly presents the summit on contemporary aspects of taxation laws. It will provide a platform for intense discussion, deliberation and debate amongst students, researchers, scholars, luminaries and experts in the field. With an array of sub themes ranging from the development and implementation of GST to tax evasion, the summit aims to facilitate both, interdisciplinary research and focus on specific areas of taxation, providing the attendees with enlightening brainstorming session while contributing immensely to the research in this field.

OBJECTIVES OF THIS EVENT

- To understand the intricate and detailed aspects of the legal regime governing the taxation laws.
- To critically analyse the issues and challenges of taxation reforms in India.
- To garner an array of knowledge of Taxation law sources;

This event would also provide excellent opportunity to the participants to put across their own views and exchange ideas in order to have holistic understanding on the subject matter.

THEMES: CONTEMPORARY ASPECTS OF TAXATION LAWS.

SUB- THEMES

- Emerging global trends in Taxation Laws
- Law and Practices of Direct Taxes in India
- Indirect tax reforms in India
- Issues and Challenges of Taxation System in India
- Tax avoidance as a Legal Problem
- Interpretative limitations in Taxation Laws
