ABOUT US :

Legal Saviour Academy is a future driven, aspirational and inclusive academy offering all learners outstanding opportunities to gain knowledge and self development. Legal Saviour Academy strives to built a bridge between hard work of individuals and their goal. We as a catalyser work to remove the gap between the dreams and reality by joining hands with their hard work. Considering this as our social responsibility we organise seminar and workshop on the topics utmost important in legal field so as to enlighten everyone, as far as possible, with the knowledge of experts of the fields.

OUR AIM IS TO LEARN AND ACHIEVE & TO IMPART KNOWLEDGE :

We aim to maximise learning potential to the highest academic levels and to encourage interest towards learning so that every individual achieves their personal best.

Putting a genuine effort to guide individuals in right direction to achieve the success is our ultimate aim.

One of the main objects is to provide quality education to every person willing to gain it and progress.

We believe that "Imparting Knowledge is the best quality; a human can ever possess.

SIGNIFICANCE OF WORKSHOP :

Forensic Science is an applied science and plays a paramount role in the arena of criminal investigation. Forensic science being a dynamic field of knowledge and skill plays quintessential role in criminal trial because if an opinion of expert stands unrebuted it becomes the opinion of the court, therefore, it is the need of hour that, apart from good legal acumen all the stakeholders related to law must have some basic insights of Forensic Science so that the cycle of criminal justice system rotates smoothly without trifling with technicalities. Hence, the present workshop is an attempt to enlighten the masses on the role of forensic science in criminal justice system
