About Dr. B.R. Ambedkar

Dr. B. R. Ambedkar is one of the most eminent intellectual figures of modern India. He appeared on the Indian socio-political scene in early 1920s and remained in the forefront of all social, economic, political and religious efforts for upliftment of the lowest stratum of the Indian society known as untouchables, women and other backward classes. He was a great scholar who made outstanding contributions as an economist, sociologist, legal luminary, educationist, journalist, parliamentarian and above all, as a social reformer and champion of human rights. Dr.Ambedkar’s ideas, writings and outlook could well be characterized as belonging to that trend of thought called Social Humanism. He developed a socio-ethical philosophy and steadfastly stood for human dignity and freedom, socio-economic justice, material prosperity and spiritual discipline. He showed the enlightening path for Indian society via his ideals of freedom, equality and fraternity and made India a democratic country.
