

Would you like to defend the freedom of citizens in the digital world?  
Would you like to make the on line world a better place ?

## JOIN SFLC.in !

### About the organization

SFLC.in. is a not-for-profit legal services organization that brings together lawyers, policy analysts, technologists, and students to protect freedom in the digital world. SFLC.in promotes innovation and open access to knowledge by helping developers make great Free and Open Source Software, protect privacy and civil liberties for citizens in the digital world by educating and providing free legal advice and help policy makers make informed and just decisions with the use and adoption of technology.

### Internships will be in the following fields:

1. Right to Privacy,
2. Freedom of speech and Expression ,Information Technology law, Internet and Telecom policy.

### Internship : Qualifications and Skills

- Typical work includes legal research and writing, drafting research, papers and litigation preparation.

### How to Apply

Students who have a keen interest in civil liberties, intellectual property rights law and technology laws and who have a desire to defend the digital freedom of citizens may apply. Preferrably 3rd year.

This winter internship is generally for two months or longer, although splits may be possible in some cases.

The summer internship will start from **January 1, 2017**. All interns will work from our New Delhi office.

Internships are unpaid; students may seek funding from their school's public interest program or other sponsorship arrangement.

Interested candidates are requested to forward their applications with a cover letter and résumé in free document format to [apply@sflc.in](mailto:apply@sflc.in) with a subject line - "**Application for Winter Intern**"
