ABOUT THE GNLU-SJVN RESEARCH FELLOWSHIP ON HYDRO POWER DEVELOPMENT AND ENVIRONMENT LAW:

In line with GNLU's constant endeavor to identify contemporary legal and other issues faced by our country, at the instance of GNLU and with the recommendation of Ministry of Power, Government of India, Satluj Jal Vidyut Nigam Ltd., a mini ratna company has established GNLU- SJVN Fellowship on Hydro Power Development and Environment Law and Rehabilitation & Resettlement Laws, dedicated to research and training on issues related to hydropower development, environmental challenges and land acquisition and r&r issues. Renewable energy has emerged as a mechanism to achieve sustainable development. Owing to its essential position, the GNLU-SJVN Research Fellowship on Hydro Power Development and Environment Law aims to complement, supplement and fill research gaps and to further contribute to promote the intellectual inputs to the debate and policy developments on hydro power development. The collaborative GNLU-SJVN Research Fellowship is an effective modality of GNLU and SJVN to address the growing legal concerns of hydropower generation and environmental issues, it also aims to provide sound and sustained legal research, drafting, capacity building and educational assistance to administrative law stakeholders.
