BACKGROUND AND OBJECTIVE OF CONFERENCE

Crime is an act against the state, against the society at large. Generally speaking, it is an action or omission which is punishable by law. Thus crimes are public wrongs which are deemed injurious to the public welfare or morals or to the interests of the state and are legally prohibited.

The present Seminar aims to address the fundamental as well as contemporary issues of substantive and procedural criminal law. Law and order is the prime responsibility of the state and the Criminal Justice system of the state involves various functionaries in the performance of the same.

This Seminar is a platform to deliberate upon and discuss the various issues and challenges in the administration of the Criminal Justice System. The participants will be exposed to the core concepts of Criminal Law and the application of same in the Courts. Various aspects of the Substantive and Procedural criminal laws, Crimes against women, Cyber Crimes, Drug Addiction and Drug abuse and other contemporary issues in Criminal Law would be discussed in the Workshop.

Further, it would bring together academicians, professionals and students on a common platform in the field of Criminal Law Litigation.
