

About the College

Government First grade College, Vijayanagara, Bengaluru that celebrated its Silver Jubilee during the year 2010-11 came into existence in the year 1985-86 with just 22 students. Today it has grown exponentially and is providing quality education to over 2500 students in various streams including Post Graduation and Research Centre in Kannada, Post Graduation in Commerce and Management. The college affiliated to Bangalore University is accredited grade 'B' by NAAC with 2.72 CGPA. College is proud to have completed UGC sponsored 19 Minor research projects and hosted more than 20 National seminars/workshops/Symposiums in last 8 years.

The college is blessed with the pool of intellectual talent in its 17 departments with highly qualified and committed faculty contributing qualitatively towards the accomplishment of the institutional objectives. The institution is proud to have faculties who have been conferred with many prestigious awards and recognitions at International, National and State Levels.

Since the inception of the college, the Commissionerate of Collegiate Education has supported in all its activities. The college has grown under the guidance of many illustrious principals and is poised to achieve great heights under the leadership of the present Principal **Dr. B. Chandrashekara**.

The college is fortunate to have a proactive CDC and vibrant MLA & Former Minister for Housing Sri M. Krishnappa as its Chairman.

About IQAC

The institution has in place a active IQAC, working tirelessly in conceptualizing, designing, and funding the programs to enhance quality in academics, research, administration and co- curricular activities so as to realize its Vision and Mission. IQAC of the college is organizing this seminar to highlight the

multidimensional issues pertaining to IPRs at National and International levels, so as to enhance the understanding of this issue.

About the Seminar

In this era of globalization it is extremely important to progress in innovations and creativity not only to sustain and grow but also to compete. The intellectual skills are intangible asset a person or an industry can possess. The term Intellectual property is related to human brain or intelligence applied for creativity and invention. IPR plays a pivotal role in the progress of any nation. Lack of knowledge of IPR may result in economic loss for an individual, industry and country and there is every chance of losing our ancient inventions as most of them are not properly documented. Thus, there is a dire need for dissemination of IPR information so as to protect and boost our indigenous inventions. Faculties, research scholars and students should have a comprehensive knowledge of legal implications of IPR, Patents etc, to safeguard the intellectual property.

In this connection, IQAC of college is hosting one day Multidisciplinary National Seminar on 'Dynamics of Intellectual Property Rights'. The seminar includes lead lectures from experts in the field, presentations from researchers and students.

Objectives of the Seminar

1. To focus on the present scenario of IPR in the Indian and International Context.
2. To create awareness among faculty, research scholars and students about the patent procedure and laws.
3. To highlight the Importance and scope of IPR in Academics and research fields.

The seminar invites theoretical, conceptual, original and review papers from academicians, research scholars, students, practitioners, industrialists on the following themes:

Seminar Themes:

- IPR - Historical perspective
- IPR - Science and Technology
- IPR - Legal/political issues
- IPR – Economic issues
- IPR- Trade and Commerce
- IPR – Society and culture
