ABOUT LLOYD LAW COLLEGE

Education and employment of human resource is the most frequent process of national development. Lloyd Law College is generating human capital by imparting professional legal education for employability through discipline, knowledge, skill and endurance. We are committed to cultivate legal skills, professional culture and human values amongst our pupils to foster the objectives enshrined in the Constitution of India.

Our process of education with contemporary courses and compendious curriculum are designed to focus on inculcating legal knowledge and fermenting professional skills as are globally recognized in legal professional. To provide practical knowledge and training of skills, the law school focuses on providing internships and placement opportunities under reputed NGOs, Law Firms, Corporate Houses, organizations, etc. to all the students.

The college has recently been felicitated with the award for Excellency in Education by Hon'ble Vice President of India, Shri M. Venkaiah Naidu.

ABOUT JOB FEST-2019

Lloyd Job Fest-2019 is a career exposition that provides a single location for the students to meet potential employers. It gives companies as well as job seeker the opportunity to meet face to face without having to book any appointment. It also allows making effective use of time by meeting large number of people at same place in less time. This is also an opportunity for companies to screen a large volume of potential job candidates and make students aware of their expectations from them and also answer their question regarding job.

Lloyd is giving an opportunity to the law graduates make a good impression to the potential coworkers by speaking face-to-face with one another, filling out resumes, and asking questions in attempt to get a good feel on the work needed where after, they can get chance to get recruited by different companies or other organization.

The first edition of the Job Fest witnessed a footfall of approximately 500 students from 110 colleges all over India and more than 50 employers from different sectors. This edition, we are expecting more students and as well as employers and the event to be held on a much larger scale. On behalf of Lloyd Law College, we would like to extend an invitation to you to be the part of the event.

ABOUT INTERNSHIP & PLACEMENT CELL

The Internship & Placement Cell (IP Cell) of Lloyd Law College assists endeavors towards assisting the students in creating a better future by getting the top companies for internships. The cell works to ensure that students get placement/internships in their expertise and also that each company walks out of the college with an ideal candidate.

Cell also help the students to find internships or job placements with or after graduation which provide them a real time exposure. With our educational program, students are also assisted to be placed in professional organization where they can work on real projects. Upon completion of the degree, competitive students are made to have industry experience giving them an advantage in a competitive employment environment. By being a part of a corporate team and working together with various legal firms over the duration of the internship, the students get an understanding of practical legal world which also enhances their career opportunities.
