

Internships at Esya

About Esya: The Esya Centre (Esya) is a niche innovation and technology policy think-tank based in New Delhi, focussing on the triad of economics-law-technology, with 'people' at the centre of all its values. We are looking for motivated people who share the same ethos and are willing to contribute to cutting-edge legal research.

Expected Work: Interns will be expected to contribute towards on-going research work at Esya. This will involve research and writing policy briefs, blog posts on topical developments in technology policy, and making presentations. Candidates are expected to have excellent research, analytical, and writing skills. Since the team at Esya is small, interns are expected to get fully involved in all the work and share equal responsibility. This also means publication opportunities, accompanying us to policy events, and full credit in research outputs.

Eligibility:

1. 4th year or 5th year students pursuing a BA LLB (Hons) degree, or final year students pursuing a 3 year LLB degree.
2. Demonstrated academic interest and prior experience/completion of courses on intellectual property rights, technology policy/laws.
3. Excellent research and writing skills.
4. Available to intern in person at our Delhi office for a period of 4 - 6 weeks, depending on the candidate's preference.

Application Process:

Interested candidates are requested to submit the following documents.

1. A resume/CV of not more than 2 pages.
2. A writing sample of not more than 1000 words on any topic of the candidate's choosing - topics on internet governance, IPR, innovation and technology policy are preferred, although not mandatory. The writing sample can be an abstract of a previous report/article. If so, it must be clearly indicated.
3. Indication of preferred internship dates. (For e.g. Dec 23, 2019 - Jan 23, 2020).

Application Deadlines: This call for internship is for the months of December and January only. All interested candidates must email to contact@esyacentre.org with all the required documents by **7th November**. We will invite all shortlisted candidates by **11th November** for a telephonic/skype interview. Only shortlisted candidates will be contacted for a telephonic interview. If you do not hear from us by the 21st of October, please consider the application to be rejected. Emails received without requested documents, or after the 7th October will not be considered.
