SOA NATIONAL INSTITUTE OF LAW**

SIKSHA 'O' ANUSANDHAN
DEEMED TO BE UNIVERSITY
BHUBANESWAR

THE ORGANISERS:

The seeds of the Siksha 'O' Anusandhan Deemed to be University, acknowledged today as a revered seat of learning in eastern India, was sown in 1996 with the establishment of the Institute of Technical Education and Research (ITER), an engineering college with just 118 students. Ever since the institution has blossomed into a centre of excellence providing quality education that meets global industry standards today. In 2007, SOA, as it is popularly known, was declared a Deemed to be University u/s 3 of the UGC Act, 1956 in recognition of its excellence in technical and professional education. SOA has been reaccredited with 'A' Grade by National Assessment and Accreditation Council (NAAC) of University Grants Commission (UGC), Govt. of India. SOA has been granted 12B status by the UGC. It has also been recognised as SIRO by DSIR, Govt. of India. Recently, SOA has been ranked 24th among universities and 41st among overall institutions of higher education in the country in a rating conducted by the National Institutional Ranking Framework (NIRF), MHRD, Govt. Of India in 2019. ISO 9001:2000 Certification by URS, United Kingdom speaks the commitment of the University towards quality education. SOA has also got graded autonomy by UGC. SOA through its nine constituent institutes is actively engaged in imparting education (Under Graduate, Post Graduate, Doctoral, Post Doctoral) in Engineering & Technology, Medical & Dental Sciences, Pharmaceutical Sciences & Biotechnology, Management Sciences, Nursing, Hospitality & Tourism Management, Legal Studies and Agricultural Sciences. SOA has also created a congenial atmosphere for focused research by identifying 22 thrust areas through 13 research and field centres, 38 research labs. It has more than 5000 research publications in high quality peer reviewed journals (including 4306 SCOPUS Indexed Research Publications) to its credit so far with h Index of 49.

FACULTY OF LEGAL STUDIES:

Law is indispensable for the governance of the country. It is the rule of law that reflects in the essence of human society. Increasing growth of civic consciousness and rising complexity of dimensions in Indian Jurisprudence create a wide scope for legal profession. Legal education plays a vital role in promoting social justice. Now days, law as a profession and legal education as a discipline, is very popular choice of the students in India with the introduction of five years integrated law programme. There is a huge scope of employment, so far as career in law is concerned. With the objective of being the centre of excellence in legal education and research, the institute was set up in the year 2010. SNIL has a state-of-the-art facility to impart quality and research oriented professional education with dedicated and experienced faculty. SNIL offers innovative, career oriented programme at all levels, matching the requirements of Industries, Corporations, Entrepreneurs, Academics and other kindred institutions. The sole aim of SNIL is to create and deliver value added educational products to achieve quantifiable benefits for all stake holders of SOA Deemed to be University as it focuses on the needs of the student, parent and society encouraging innovation and experimentation in the pursuit of excellence.

CONCEPT NOTE:

Professional Misconduct denigrates sanctity of a profession and talks of narrow-mindedness and unprofessional conduct of individuals inviting questions on their integrity, impropriety and fairplay in the delivery of services. Attitude and behaviour are no less important parameters for an efficient

and impartial discharge of duties in the organisation/office. More than required academic qualifications, profession demands transparency and honesty. No sector, be it Government or private, the instances of violations of prescribed code of conduct is immune from such deficiency.

In the light of emerging global culture, diversity of job roles, commitments to timelines, prompt and quality services, some compromises have slipped into profession of all kinds.

This Seminar intends to discuss and address intriguing issues concerning such professional misconducts and suggest measures to ensure compliance with the desired norms.

SUB-THEMES OF THE SEMINAR:

The Seminar shall provide a platform, to promote access to justice and good governance, to various stakeholders and soldiers of transparency and accountability in governance in India. This Seminar would deliberate on the following sub-themes:

1. Legal Profession and Ethics
2. Professional Misconduct in Government Services
3. Medical Ethics and Negligence in Healthcare Services
4. Professional Misconduct in Corporate and Private Sector
